Union Destruction Act

California's Proposition 226

[Peter Dreier](#) June 14, 2004 - 5:14am

Remember 1958! That's the rallying cry of organized labor in California as it approaches a June 2 primary election that could determine the union movement's political future, not only in California but elsewhere. Labor will focus most of its political energies on defeating Proposition 226, dubbed by proponents the "Paycheck Protection Act," enactment of which would require that unions gain yearly permission from their members to spend...
